Dear Mr. Rose:

I am sending you under separate cover the pants of which I wrote you some time ago. I do hope you will be able to match the material color, as I would not want the team on the field with odd pants and shirts.

I have decided that 14 pairs will be enough. I will try and make it as plain as possible how the sizes should vary. As you know the men are all sizes. They always complain about the pants not being large enough. I think the idea is that they like them large and full, in the thighs and seat especially. They like them long also. Now following I will give you the size height and weight of the men, and will put the names of the particular men I want each size for. If the name is put in the pants it will simplify matters a great deal. There is one particular man who is quite a problem to fit. He is the catcher, weighs 242 lbs. and is 6 ft. tall. His waist is not so large, but he is very heavy around the legs.

1pair	6 ft.	242 lbs.	Mackey

Please let me know when you receive the pants.
